

KANYSHQ

Happy T-shirts

Inks, Adhesives & Colours

Every t-shirt has a story. From being a bundle of fibre to being spun into a cloth, it goes through its first transformation. From there on, step-by-step, we help them come to life. Whether the t-shirt is made on a manual machine or automated, our entire suite of products help you make the best quality **t-shirts that smile forever.**

Our mantra is to **innovate every day**. We look at your challenges and keep improving on the best quality products to make it even better for you. We have powered a generation of t-shirt manufacturers and our quest is growing.

We like to partner with our customers in long term relationships, where we solve any problem that you come across in making t-shirts with our innovative products. From whites to clears, adhesives, flock, glitters or colours, we light up your t-shirts. We believe in **happy t-shirts!**

Making t-shirts come alive

About Us

KANYSHQ SPECIALTIES (INDIA) PVT LTD made its humble beginning in the year 2009 & is headquartered at Mumbai, Maharashtra.

We are identified as a growing company in manufacturing and supplying of eco friendly water based non PVC screen printing textile inks, specialty adhesives - foil, flock, glitter and specialties - foam and Azo free colors .

It takes more than just bricks & mortar to make a company great. Technology, quality, manufacturing excellence, customer service, excellent logistics and a committed R &D are few of KANYSHQ's strengths. All the same, an outstanding talent pool of qualified professionals are indeed the Backbone of the company. They are the key to our success.

Teamwork, quality & safety are the core values that are engrained in the KANYSHQ culture. We recognize the importance of treating each other, as well as those around us with fairness & respect. We strive for quality in everything we do, from manufacturing to building relationships, and, are committed to operating safely while protecting people & the environment. These core values are visible across the company in the many faces of KANYSHQ.

Our products meet all major environment & health compliance regulations laid down by European Union, other major unions & top International buying houses across the globe.

We have our branch office at Tiruppur, Tamilnadu and have our distributor network in Tiruppur, Ludhiana and Kolkata.

Our Mission

To supply consistent quality, competitively priced & ecofriendly products for screen printing inks for textiles to both domestic & international markets by continuously updating our know how & technology, innovating & adapting to customers requirements.

Our Vision
